  Janice Whatley, Manchester Metropolitan University, (UK)
  Keith Willoughby, University of Saskatchewan (Canada)
  Fariza Khalid, Universiti Kebangsaan Malaysia (Malaysia)
  Dennis Kira, Concordia University (Canada)
  Felix O Quayson, Texas A&M University System (USA)

The mission of the Journal of Information Technology Education: Research is to:
• improve IT education around the world by publishing high quality articles on best practices and other topics of use in improving IT education,
• expose the reader to a variety of epistemologies and types of articles, including primary, action, and secondary research,
• provide those who submit manuscripts for publication with useful, timely feedback by making the review process constructive,
• be for the reader the most authoritative journal on IT education, and
• acknowledge and embrace the diversity of teaching and learning models in use around the world.

JITE is an academically peer-reviewed open-access journal. All submissions are blind refereed by three or more peers. JITE articles are published online on the web site http://JiteResearch.org
